

Solivita Travel Club Traveler Responsibilities

- A. All travelers on a Solivita Travel Club sponsored trip should understand that the Travel Club is a not-for-profit-corporation and it does not assume any liability for harm or injury occurring on any trip. Travelers must look to the travel provider: tour operators, cruise lines, airlines, or bus companies for compensation in the event of an accident or injury. Each traveler must deliver a completed and signed copy of the Release of Liability and Hold Harmless Agreement to the Travel Coordinator before embarking on each trip.
- B. Travelers should obtain appropriate trip insurance for each trip. The Solivita Travel Club does not sell trip insurance and takes no responsibility for the terms or conditions of any policy. Travelers should familiarize themselves with the cancellation terms of their trips and their trip insurance coverage, terms and conditions. If a traveler must cancel a trip, penalties could be significant.
- C. For each trip, travelers must pay a non-refundable Administrative Fee of \$50 per person for domestic travel and \$100 per person for international travel. The Administrative Fee could be used for tips, transportation and/or incidentals related to the trip. Any excess will be refunded pro rata to the travelers. The amount of the Administrative Fees may be changed by action of the Board. Administrative Fees will be refunded in the event the trip is cancelled.
- D. If a traveler books air, hotel, or other arrangements apart from the group, the traveler must notify the Travel Coordinator of these details as early as possible.
- E. Health and Safety Standards for each trip are generally determined by the travel provider. The tour guides and Travel Coordinator on a trip will provide instructions to travelers. Travelers are expected to fully comply with all such health and safety standards and instructions.
- F. Photo Release. By participating in Travel Club trips, each traveler expressly permits the Travel Club to use the traveler's name and likeness in published photographs, videos and all forms of media without restriction. If the traveler would not like his or her likeness to be used by the Travel Club, the Travel Club will use its best efforts to honor the traveler's request if made in writing addressed to the Travel Coordinator prior to the departure date of the trip.
- G. Traveler Behavior. All travelers must show basic courtesy to other travelers, guides, the Travel Coordinator and support personnel. Loud or disruptive conversations and profane or inappropriate language will not be tolerated. Travelers should be on time for all departures. Late arrivals delay progress for everyone and upset scheduled activities, which is rude and disrespectful.
- H. Accident or Illness. Travelers should promptly notify the Travel Coordinator of any accident or illness occurring on the trip and report any complaints or claims within 30 days following conclusion of the trip.
- I. The Travel Club reserves the right to deny any traveler participation in a trip due to frequent violation of Travel Club policies or whenever the Travel Coordinator deems it necessary or appropriate for the safety or well-being of trip participants.
